When the bus is required to return student
causing a number of problems for other parents

It is extremely important that you make provisions for an adult to meet your kindergarten student every day at the bus stop. Please be aware of the steps that will be taken in the event this policy is not followed:

- 1st Incident– Warning from Campus Administrator
- 2nd Incident– Loss of Bus Privileges for one week
- 3rd Incident– Loss of Bus Privileges for six weeks and a report is made to Child Protective Services

Persistent noncompliance with this policy will result in loss of bus privileges for the remainder of the year and followup contact with Child Protective Services.

Please inform the school if you know you will not be able to bring your student to the bus stop. The student will not be allowed to board the bus and you may pick him/her up at the campus. Your student will be safe and the bus route will remain
