## HEB ISD Schools of Choice Spanish Immersion (S)

The administration of the lottery and admissions procedure is the responsibility of District Administration. The number of students admitted each year is determined by District Administration based on grade level and program capacity.

In the event the number of eligible applicants exceeds the number of available seats, a random selection lottery will occur.

Parents may apply for participation in the lottery, online, during the annual application window. Students scheduled to enter the following school year may participate in the S Lottery. Admission for grades 2 6 is determined by previous participation in a dual language or similar program, available space in the grade level requested and by a district administered IDEA language proficiency test. Approximately 26 seats are available at each S campuses each year. Any a
