

Understanding Concepts in the Art Room

1ST GRADE

GENERAL

- x Discuss subject matter in art; understand differences in still portrait, selfportrait, landscape, cityscape and seascape
- x Begin to understand ancient cultures from around the world

PORTRAITS

- x Ability to draw a complete figure, but will most likely exaggerate the more important parts

LANDSCAPE

- x Exposure to the illusion of space (foreground, middle ground and background)

ARCHITECTURE

- x Aware of houses and buildings from around the world
- x Understand that an architect is an art career

ELEMENTS & PRINCIPLES OF DESIGN

- x Recognize and describe the use of line in historical artwork
- x Appreciate rhythm, emphasis, repetition/pattern, and balance in a work of art
- x Understand how to show space (with reminders): overlapping, figures smaller in background
- x Recognize texture and pattern in clothing, manmade environments and in nature

EVALUATION & RESPONSE

- x Talk about their own art and that of other artists
- x Communicate ideas that are personally important
- x Perceive things that are alike and different
