This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.

Communication is Key!

We welcome any ideas, feedback, and concerns as we want our school to be a place where everyone feels safe and welcome. If you need language interpreter/translation assistance, please go to <https://bit.ly/heblang>.

Home-School Compact

Shady Oaks Elementary School believes that schools, families and students must all share responsibility for student achievement. Therefore, we will provide all families with a Home-School Compact explaining how each of us can do our part to ensure student success. This compact will be reviewed and revised as needed at the Parent Advisory Committee Meetings in May.

Funding

Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities and procedures will be planned and implemented with meaningful input from the parents and families at our school.

Review
